HELP US BUILD THE SILO

A PLACE WHERE HOPE WILL ALWAYS HAVE A HOME

Dear Friend,

What does hunger look like? Sometimes it is a mother deciding which bill can wait so her children can eat. Sometimes it is a senior opening an almost-empty refrigerator and wondering whether anyone remembers them. Sometimes it is a hardworking father standing in a food line, doing everything he can to hold his family together.

At CPR Family Center, we have seen these moments firsthand—but we have also seen what happens when compassion arrives. We have watched worry become relief when a trunk is filled with groceries, seniors smile because someone remembered their name, and discouraged job seekers begin to believe their lives can move forward again.

Since 2014, CPR Family Center has stood beside families when life knocked the wind out of them. Since launching Operation Stomp Out Hunger in 2019, we have distributed more than 2 million pounds of food to more than 60,000 families. Our work also reaches seniors through Operation Senior Hearts, job seekers through Operation Transformation, and—through our future Operation Thrive initiative—families seeking the financial knowledge and practical skills to build lasting stability.

> “For I was an hungred, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in: Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.”
> —Matthew 25:35–36 KJV

These words are more than a Scripture we quote—they are the mission we strive to live. Every box of food, encouraging conversation, senior embraced, and family strengthened is an opportunity to serve Christ by serving our neighbors.

Now the place that has helped so many families has an urgent need of its own. We must relocate by July 2027. Without a permanent home, the services our neighbors depend upon could be interrupted or lost. We are raising $2 million by May 2027 to purchase and prepare a permanent facility for this work.

We will call that home The Silo. For generations, a silo has represented provision—something filled in seasons of abundance so a community can be sustained in seasons of need. More than a building, The Silo will be where hope becomes a pathway: food storage and distribution, workforce readiness, financial wellness, senior and youth programs, volunteer coordination, and partner collaboration—all under one roof. It will be a promise that when difficult days come, compassion will still have an address and every neighbor can move from immediate relief toward lasting stability.

A permanent home will protect the work already happening and create room to serve more families with dignity, consistency, and care.

Would you prayerfully consider making a meaningful gift? Whether $25, $100, $1,000, $10,000, or more, your generosity will help protect a ministry thousands already rely upon. You may never meet every child whose dinner your gift helps provide or the senior who realizes someone remembered them—but they will feel your impact.

Please help us raise $2 million by May 2027. Together, we can build The Silo, give hope a permanent home, and create a pathway from hunger to stability for generations to come.

With heartfelt gratitude,

Chris Brown

Who we are and why we serve

CPR Family Center is a Dallas church and nonprofit putting faith, hope, and love into action. Our ministry and community programs provide food, connection, practical support, and opportunities for a new start.

2 million+
pounds of food distributed

60,000+
families served

2027
relocation year

The work already happening

01 Operation Stomp Out Hunger
Food assistance and practical care for neighbors facing hunger.

02 Operation Senior Hearts
Connection, care, and meaningful opportunities for older adults.

03 Operation Transformation
Encouragement and practical tools for employment and a new start.

04 Operation Thrive
A future initiative to help families grow in stability and opportunity.

Why The Silo, and why now

CPR Family Center must relocate by July 2027. We are raising $2 million by May 2027 to secure and prepare a permanent place where food assistance, senior outreach, workforce support, and future family programs can grow together.

A home for sustained service

A dedicated facility can provide stability for the neighbors we serve and room for our programs to develop.
